

The **Minster Lovell Flower and Produce Show** is held annually on the **third Saturday in August** in the Village Hall. Entries are warmly welcomed from all who live in the village, their families, WI members and their families, and children attending St Kenelm's School. Judging takes place during the morning, and from 2pm the Show opens for visitors to enjoy the exhibits, refreshments, prize giving, raffle, and auction of produce.

The event is organised by a small committee meeting from March to September, supported by volunteers on the day. Information and updates are shared in ***The Village News*** and on our Facebook page, ***Minster Lovell Flower & Produce Show***.
